STATE OF ILLINOIS

LPC/115 80406 - Macon Co.

Decatur/Murrell

Dear Mr. Murrell:

On 3/23/82 an inspection was made of your property located at the N E corner of Kenney Road and Hill Road, and S of the intersection of Hill Road and Twin Lakes Road. At that time it was seen that there was a considerable amount of refuse, combustible and non-combustible rubbish, bulky wastes, construction and demolition wastes, and non-putrescible industrial waste at both sites. At that time pictures were taken. This constitutes a violation of Article 4, sections 1 and 5 of the Macon County Refuse Ordinance listed below:

1. No person, firm or corporation shall discharge, deposit, dump or place any refuse, or cause or permit the discharging, depositing, dumping or placing of any refuse, on any premises in Macon County, Illinois, other than a refuse disposal area for which an Annual Refuse Area License is issued and in force at the time of such discharging, depositing, dumping or placing of refuse.

5. No refuse disposal area shall be operated without a license as herein provided, and no licensed refuse disposal area shall be operated contrary to the plans submitted in the application for license, utilizing any method of operation other than that specified in said application for license, in any unsanitary manner or contrary to any reasonable directive in writing so as to permit noxious fumes or odors, dust, smoke, noise or the scattering by wind or otherwise of any refuse outside the premises whereon such disposal area is located.

The above referenced material must either be removed, or covered with two feet of compacted earth within 30 days, or any or all of the following legal action will be instituted:

RECEIVED
APR 08 1982
E.P.A. - D.L.P.C.
STATE OF ILLINOIS

a. Suspension of any license held under the provisions of the Macon County, Illinois Refuse Ordinance.

b. Fine of not less than \$10.00 nor more than \$200 per day.

c. Both of the above.

Your immediate cooperation in abating these nuisances will be appreciated.

Sincerely,

Richard V. Rosetto
Sanitarian
